Judge Forrest

Receipt of your email and Order is acknowledged, albeit it is just the beginning of a religious Holiday I observe through tomorrow.

I was unaware of the application - was no filing or notice to me - and have not received the papers apparently submitted upon which the subject Order was based.

With respect, when, if at all, are those affected to receive the application submitted or other papers upon which the Order was issued?

Respectfully,
Lawrence E. Tofel, Esq.
